CAULFIELD EAST VIC 3145

Dear Mr Iyer

Thank you for your recent letters to the Governor-General concerning your matter with the Victorian Civil and Administrative Tribunal (VCAT).

I am sorry to disappoint you but I can only reiterate my advice of 3 April 2007 that the Governor-General cannot become directly involved in matters concerning the VCAT. I regret that there seems little point in continuing this correspondence.

In this circumstance, I am returning your documents to you for your safekeeping.

Yours sincerely
